Our fortnightly virtual pub meets are an opportunity to relax at the end of the working week, and drink/talk real ale and all things related. Feel free to pop in with what you have in the fridge or try out some of beers from our suggested list!

Online Tastings – Friday 8pm

19th February

19th March

Our online tastings are an opportunity to delve deeper into a style of real ale, with all the variety, tasting notes and discussion of a live tasting! No prior knowledge needed – just an appreciation/curiosity about real ale. Themes to be decided.
